2014 enrollment does not include NOCCA, Milestone, the Louisiana Virtual School

Economically Disadvantaged for 2014 is compared to Free/Reduced Lunch for all prior years. Due to the new school lunch program (CEP) beginning in 2014, the state no longer had free/reduced lunch numbers for all schools and districts. Instead they are using a new metric - Economically Disadvantaged - which consists of students who are eligible for SNAP, TANF, or Medicaid.
